### Do you know the tally for the materials count Delivery just did?

*All IHLS members were asked to count all outgoing delivery items the week of September 8 – 12. During that week, **drivers picked up 118,367** items from member libraries. To estimate the yearly number of items drivers will pick up from member libraries, that number is multiplied by 50 weeks (5,918,350 items)! The next Count Week will be November 17–21.*
